OUTINGS

AN OUTING LIKE NO OTHER »

Xtreme Xperience hosts over 700 private outings at over 50 tour stops annually. We've helped hundreds of companies increase their value to customers, prospects, and partners. We do this by offering your attendees the chance to live their dreams and bond over an unforgettable adrenaline rush as each guest gets to test their limits around epic racetracks from behind the wheel of the world's finest cars.

Our Corporate Outings programs provide you with a turn-key event solution that will drive the right attendance and outing ROI.

Enjoy a world-class experience, with elite customer service to match, and custom options to tailor to your event goals and brand needs.

WORLD-CLASS SUPERCARS »

Align your brand with the best of the best. When your guests show up at the track and see over \$5M worth of world class supercars in pit lane, they are sure to be excited and engaged. We've handpicked every vehicle in the fleet straight from the covers of your favorite automotive magazines and made them available for you and your guests. You've never experienced luxury, power, acceleration, braking and handling like this... Until now.

A TURN-KEY SOLUTION »

Drive into a stress-free event while we handle the logistics of locations & scheduling, meeting space & catering, and everything in-between. Our event coordinators will be your POC through the entire process, so there's no worry as to what comes next.

AN INSPIRING EVENT »

There's nothing more motivational than being put in command of 420+ horsepower and being told to "go-go-go!". Unlock your guests' need for speed and their ability to push themselves further.

ENAGING + IMPACTFUL »

No one sits on the sidelines. Whether people are driving, riding with a pro, or watching from Pit Lane, they are sure to be engaged. You'll connect with more clients, more meaningfully, than any other corporate function this year.

RELATIONSHIP-BUILDING »

Find common ground; whether you're bonding over the cars, the adrenaline of the experience, or how good you look next to a Ferrari - you are sure to strike up new conversations with excited guests.

« XPERIENCE **TIMELINE** »

01

Guests arrive and **CHECK-IN** with our team:

During check-in, guests will sign waivers and provide a valid driver's license to XX staff. An XX team member will guide your guests to where they need to be and also assist throughout the day.

02

Guests attend a professional **SAFETY CLASS**:

During this session, a lead supercar instructor will provide a safety overview and driving insight, which includes everything from getting into a Ferrari to handling smooth through turn 7. When class concludes guests will head to Pit Lane and begin their driving experience.

03

Guests advance to **PIT LANE** for their drives:

In pit lane guests will be sized for a helmet and provided with a balaclava to wear underneath. Your group will have access to every supercar in the fleet (Lamborghini, Ferrari, Porsche, Audi, etc). Guests are able to drive more than one vehicle if your drive package permits.

04

Guests move to your **MEETING SPACE** (optional):

Once your guests wrap up on track, they move on to your designated, private meeting space that will be equipped with tables, linens, chairs and AV for presenting. Our event coordinator will work with you prior to the event to set up your catering order and confirm final details.

05

Guests will **CHECK-OUT** and wrap their day:

Here guests will receive their photos (optional), review their video, and browse our merch. This will conclude the outing.
